

The Best Investment for your Child's Future

San Anton School, at I-Imselliet, is an independent, co-educational, mixed ability school catering for the education of over 900 students aged 3 to 16, from Kindergarten right through to Secondary Level.

Since its inception in 1988, as the original school of the Parents Foundation of Education, San Anton School is committed to instilling a quality education through a broad and balanced curriculum whilst promoting each student's self confidence and individuality.

Through its proven track record of forward thinking methods, excellent examination results and professional staff complement, San Anton confirms its position as Malta's leading educational institution.

- San Anton School also offers a daycare facility for children over 18 months.
- Extra curricular activities including Sports, Scouts, Gymnastics and Drama.
- Summer School Programme for all ages.

We look forward to showing you round the School and discussing your child's future education. Kindly contact the School Secretary to schedule an appointment.
